BODY PUMP: Get lean, build strength and tone muscle with BODYPUMP. The original barbell class that shapes, tones and strengthens your entire body.

BOOT CAMP: Get ready for fitness that addresses all areas of fitness including cardio and muscular endurance, fat loss and weight loss, full body strength, agility, balance, flexibility, and most important...fun!!

CARDIO AND TONE: Combinations of high/low cardio combined with weights....total body workout!!!

BOOT CAMP KICK: Intervals of kick combinations with bootcamp moves designed to give you an amazing workout from head to toe, focusing on form and metabolic conditioning.

FUNCTIONAL FITNESS: This class employs your body weight and simple physics to create an unlimited range of resistance and complete range of functional exercises. Get ready for some military training!

HIP HOP: This high-impact cardio workout engages the entire body and helps build muscle tone, increasing stamina & endurance while having fun!

INSANITY: For people willing to work hard, drop sweat, and ignore the voice that says "This Is Too Hard." Insanity is for you. High intensity interval training designed to torch maximum calories and take your body to new levels.

KARDIO KICK: Fusion of boxing, martial arts and aerobics usually done rhythmically to music. Offering an intense cross-training and total-body workout utilizing the training routines used by combat athletes in martial arts, boxing and kickboxing.

KICK AND TONE: A combination of Kardio Kick and weight training. A high-energy class with strength, cardio and stabilization moves combined into one!!!!

LOWER BODY SCULPT: Designed strictly for the lower body muscles such as Gluteus, Hamstrings, Quadrilaterals and Calves! It is packed with squats, lunges and a multitude of workouts to tighten and tone the lower body! Good class for beginners as well as the advanced.

PILATES: A mind-body intervention which focuses on strength, core stability, flexibility, muscle control, posture, and breathing.

PLYOMETRIC CIRCUIT: A circuit class designed for those wanting to get a high intensity workout. Plyo exercises are when the muscles exert maximum force in short intervals. This class will increase your power and speed strength.

POWER YOGA: A Yoga class that will move from one posture into another. This class focuses on muscle strength and flexibility, along with balance and endurance. Your whole body will be worked as we include joint and back friendly squats, lunges, and abdominal poses.

SILVER SNEAKERS: A total body conditioning class offering exercises for your upper and lower body designed to increase muscular strength, range of movement and activities for daily living. Resistance tools and a chair for seated and standing support are used to increase the effectiveness of functional skills and abilities.

SPINNING®: Spinning is an aerobic exercise that takes place on a specially designed stationary bicycle called a Spinning Bike. Spinning brings health and fitness to every life style. If you're looking for a calorie burning, energizing, fun workout, we can help you do that!!!! Ages 16 and up.

STEP CHALLENGE: Experienced steppers wanted! Combinations of high/low step patterns are choreographed to energetic music for the ultimate aerobic experience.

TRX: Suspension training is the best workout system that leverages gravity and your body weight to perform exercises.

UPPER BODY SCULPT: A workout based strictly on the upper body muscles, such as Biceps, Triceps, Shoulders, Chest, and Back! Great class for beginners and the advanced!

WATER AEROBICS: Use the natural resistance and buoyancy of water against your body to provide a wide variety of conditioning activity. No swimming is required in water aerobics, and flotation devices are used frequently. Water exercise helps increase your energy, stamina and strength.

YOGALATES: A fusion of Yoga and Pilates, combine core pilates exercises with the postures and breathing techniques of power yoga. This class will increase core stability and power while building strength and flexibility to awaken your spirit and sculpt your entire body.

ZUMBA®: ZUMBA® fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic workout that will blow you away. ZUMBA® is for everyone at any level.

ZUMBA®-MANIA: If you can handle ZUMBA® then you can handle this hour and a half long class of hypnotic Latin rhythms!!

BARRE: A total mind and body transformation. Barre brings in elements of dance, ballet, functional strength, pilates and yoga to create an adrenaline-fueled workout that strengthens, lengthens and chisels the body, ensuring that no muscle is overlooked!
